Please do not change the child support guidelines. This new change is not in the best interest of the children. Our daughter ,now, has it very hard financially as it is. This is another of two 5 and 7, who after 10 years of marriage, has to go back to school and work . Every dollar counts. Visitation should not be linked to less money for the mom and children. Because of his own business he hides practically everything. Pat and George Charchian
